

Thermal swimming pools and aquaparks

● – Thermal swimming pool / aquapark

Updated: 01.05.2015

Thermal swimming pools and aquaparks in Slovakia offer thermal water relax in beautiful natural settings. All these is for children, seniors but also for active people looking not only for water but fun, activities and relax as well. Swimming in open air pools during freeze winter days with view to the surrounding mountains is a unique experience.
